Sponsorship

£10 Challenge - Everyone has been set a challenge to get £10 in sponsorship to help meet our target. The form group with the highest total will receive an end of term reward.

If you cannot meet the £10 challenge, please remember that any donation, large or small, is greatly welcomed. If you cannot get sponsored at all, don't worry as the event is focused on coming together as a community, so participation is key.

Form Time

Bring in your **sponsor form** and **money** in an envelope or small sealed plastic bag (e.g. zip lock food bag) and hand it to your Form Tutor.

Period 5

The bell for the end of lunch will be signalled and you will make your way to your **normal lesson** where the teacher will take the register. Your class teacher will lead you outside at the appropriate time.

When on the playing fields, you will walk continuously around the course that has been marked out and complete as many laps as you can in the time. You can run if you have the energy to do so.

Teachers will signal when it is time to return back inside.

Key Information

It may be sunny and hot. If so, wear a **hat** and apply **sun cream**. Also, ensure that you have **water**.

Normal school rules apply to the event. Mobile phones and music are not allowed. Sanctions for inappropriate behaviour and attitude will apply as normal. You will not be allowed to fill water bottles or use the toilet during the event (except pupils with medical requirements), so ensure that this is done before the end of lunch.

Your belongings need to be left in your class. You will return and be dismissed from your class as normal at the end of the event.
