

## Sir Graham Balfour - Homework Timetable 2025-26

### Year 10 (Averages out to 7hrs 30 mins per week over the fortnight)

To help you manage your workload we have allocated slots and times each night, this is the day that homework will be set, and **the expectation is that you complete the said homework on the same night**. The homework timetable stipulates no more than 2 pieces of homework each day. If you stick to this, you will have no homework over the weekend. Deadlines are stated on the work when set and even though the expectation is you complete this on the same night, we will give you a reasonable time to complete the work, recognising that some students take part in clubs/sports after school.
